

SUTTON CYCLING CLUB /DE VER CYCLES  
Cycling With Youth in Mind  
Sutton CC Velodrome Track Sessions  
Newport – Sunday 31st May

*Your chance to ride an Olympic-sized indoor velodrome as used by the British and Welsh Cycling teams!*

*The timing of the first trip planned to Newport was not ideal, so it has now been re-scheduled for 12 noon to 3pm, Sunday 31st May (the second weekend of half-term). This time beginners at track may also apply.*

*The cost includes hire of the velodrome, coached track sessions and hire of track bikes. The trip will be subsidised by the Club, and the final cost will depend on how many attend, but will be no more than £12.50 for youth members and £16.50 for adults, excluding travel. Priority will, of course, be given to youth riders, but any parents interested are welcome to apply.*

*Places are limited, so please return your application form as soon as possible, and **no later than Tuesday 28th April**. Please include payment as indicated with your booking. We will notify you shortly afterwards to confirm your place and the final cost. If a place is not available, then payment will be refunded.*

*We will hire fixed wheel track bikes at Newport. Due to the limited frame sizes of the hire bikes, these sessions are only suitable for those aged 8 and over.*

*If you are driving to the venue, then please can you indicate if you will be willing to car-share to reduce travel costs.*
