

Sutton CC/Go-ride Bexley Velodrome Track Sessions

Calshot – Sunday 17th May

Calshot – Sutton CC and Go-Ride Bexley have booked Calshot velodrome (near Southampton) for a full day. Two separate sessions will be available. The morning session will focus on basic track skills for those who are new Track/fixed wheel riders and those wishing to build their experience and confidence on the track. The afternoon session will focus on intermediate and advanced track techniques and provide the opportunity to develop your track racing skills.

Cost £10 for each session, excluding travel. Any questions - call Terry Blake Go-Ride Bexley on 01322521964.

Places are limited at both sessions, so please return your application form as soon as possible.

We will hire fixed wheel track bikes at the venues. Due to the limited frame sizes of the hire bikes, these sessions are only suitable for those aged 8 and over.

I would like to come to Calshot Velodrome on Sunday 17th May for the morning Basic Track Skills Session from 9:30am till 12:30pm
